The consents shall have the same effect as an unanimous vote of the Board of Directors for all purposes. Written consents and signatures may be in electronic form to the extent permitted by applicable law.

5.16 Use of Electronic Meeting and Notice Resources. Any meeting provided for in these Bylaws may be conducted electronically, either in lieu of or as an extension of an in-person meeting, to the extent permitted by applicable law. For purposes of this section, electronic meetings include net meetings, webinars, chat rooms, conference calls, or any other electronic medium in which Directors may both send and receive contemporaneous interactive communications, to the extent permitted by law. Participating in a meeting by such means constitutes presence in person at the meeting.
