What is NMHIMA's purpose?

Our purpose is to provide education and support to the health information community throughout the state of New Mexico. We offer many conferences throughout the year to help you keep up-to-date on your CEUs.

When are NMHIMA's conferences/events?

We have two annual conferences held during the Spring and Fall, usually in April and September. Additionally, some conferences may be added to these two, at another time during the year. Updates on any conference scheduled, time and date, will be provided on our website at least one month prior to the conference. Please see our "Conferences/Events" tab for more information.

How do I purchase tickets to a NMHIMA event?

To purchase tickets, please go to our "Conferences/Event" tab and click on the conference you'd like to attend. You will then be able to purchase tickets online, through Event Brite, or you may send in a payment by mail. We also accept walk-ins at the date of the event; however space may be limited, so it's better to make your purchase in advance.

How do I join the board of NMHIMA?

We have an election every year for new board members. You must be a member of AHIMA. Election is held in April or May, and new oncoming board members will start their term in July. We follow a fiscal year, so July 1st until the next year's June 30th is a one year term on the board. Many positions are offered with different responsibilities and serving time. Please contact us for more information.

How do I volunteer?

To volunteer, simply send us an email and inform us you'd like to help. There are many committees and wonderful fun volunteer opportunities available! It is very good for resume building and we appreciate all the extra help we get. Please see our volunteer opportunities under the HIM Community tab.

Can I be a speaker if my career is not focused in HIM?

Yes, you can be a speaker at one of our many conferences. We have many leadership slots available, so if your specialty is IT or if you're a physician, we'd still love to hear from you! Please fill out our form on the Call For Speakers under the Conferences/Events tab, or simply email us your information.
