

A group of four diverse professionals (three women and one man) are gathered around a table in a bright, modern office setting. They are looking at a laptop screen, which is the focus of their attention. The man on the left is leaning in, pointing at the screen. The woman in the center is looking at the screen with a focused expression. The woman on the right is holding a green pen and looking at the screen. The man on the far left is also looking at the screen. The background is a bright, open-plan office with large windows and indoor plants.
